

Dear Customers!

Attached please find some of our suggestions for the menu of your function. The single courses may be combined according to your wishes, but in the end you should have one common menu for all your guests. Of course you can always have an alternative vegetarian or fish dish.

Please note that this is just a small selection of all possible choices. If you have seasonal or special wishes, please do not hesitate to contact us for further details. We will be happy to assist you with all individual questions.

This offer is valid starting from January 2018. VAT is included in all prices.

We wish you a joyful function on our premises.
